

Hangzhou, the capital of Zhejiang province, enjoys the reputation of “Paradise on Earth” for its enchanting landscape and rich resources, and boasts convenient transportation with only 1 hour drive to Shanghai.

Hangzhou is an international metropolis, titled as the world's largest mobile payment city and China's best city for the Internet financial development index. It has held G20 Summit successfully in 2016.

Zhejiang Sci-Tech University (ZSTU)

boasts a long history of over 120 years. It is a provincial key university of distinct characteristics and highlighted advantages:

- ZSTU is one of the host institutes under Chinese Government Scholarship Programs to recruit outstanding international students.
- The university boasts 17 schools (teaching and research department) and one independent college, and a population of over 32,100 full-time students, among whom there are over 5,400 graduate students.
- It boasts 68 undergraduate programs, 3 first-level disciplines authorized for doctoral degree and 24 first-level disciplines authorized for master degree.
- Chemistry is among the top 5%, and Materials science, Engineering are among the top 1% disciplines according to the ESI(Essential Science Indicators) global ranking.
- It is well-known as the famous textile and fashion institution of China.
- It has established cooperation with over 149 universities and scientific research institutions from over 45 countries and areas.
- The beautiful garden-like campus of over 140 hectares brings facility on study and living, with well-equipped laboratories, library, hospital, activity center, gymnasium, cafeterias, dormitory, etc.

Programs

※ : The programs can be instructed in English.

1) Bachelor's Degree Programs

Standard Duration: 4 years (5 years for Architecture)

College	Major
School of Sciences	Applied Physics
	Applied Psychology
Fashion School	Fashion Design and Engineering
	Fashion Design
School of Informatics	Electronic and Information Engineering
	Communication engineering
	Computer Science and Technology ※
	Digital Media Technology
	Intelligent Science and Technology
School of Mechanical Engineering and Automation	Electrical Engineering and Automation
	Automation
	Mechanical Design & Manufacturing and Automation ※
	Mechatronic Engineering
School of Civil Engineering and Architecture	Architecture
	Landscape Architecture
	Civil Engineering
	Building Environment And Energy Engineering
School of Life Science and Medicine	Construction and Project Management
	Biotechnology ※
School of Art and Design	Biopharmaceuticals
	Marine Resources Development and Technology
School of Economics and Management	Fine Arts (Commercial Illustration)
	Digital Media Art
School of Economics and Management	Economics
	Finance
	International Economics and Trade ※

College	Major
School of Economics and Management	Business Administration ※
	Accounting
	Human Resource Management
	Information Management
School of Foreign Languages	English
International Institute of Fashion Technology	Fashion Design and Engineering (Sino-American Program) ※
	Fashion and Accessory Design (Sino-American Program)
	Visual Communication Design (Sino-American Program)
Shi Liangcai School of Journalism and Communication	Chinese Literature
	Communication

2) Master's Degree Programs

Standard Duration: 3 years
2 years for professional degree: Journalism & Communication, MBA

College	Major	Track
School of Civil Engineering and Architecture	Civil Engineering	Geotechnical Engineering
		Structural Engineering
		Heating, Gas supply, Ventilation & Air Conditioning Engineering
		Geotechnical Engineering
	Civil and Hydraulic Engineering (professional degree)	Structural, Pavement and Bridge Engineering
		Building Environment and Energy Application Engineering
		Construction and Project Management
		Garden Plant Application and Ecological Restoration
	Landscape Architecture (professional degree)	Garden and Landscape Design
		Architectural Design
Fashion School	Textile Science and Engineering	Fashion Engineering ※
	Fine Arts	Fashion Design Theory & Practice ※
School of Informatics	Computer Science and Technology	Textile Artistic Design Theory & Practice ※
		Computer Applied Technology ※
		Computer Software and Theory ※
Shi Liangcai School of Journalism and Communication	Journalism & Communication (professional degree)	Intelligent Computing and Intelligent System ※
		New Media & Public Opinions Research
		Journalistic Practice & Feature Reporting
		Fashion Communication & Culture Creativity
School of Foreign Languages	Foreign Languages and Literatures	Linguistics and Applied Linguistics in Foreign Languages
		English Language and Literature

College	Major	Track	
School of Foreign Languages	Foreign Languages and Literatures	Translation Studies	
		Japanese Language and Literature	
School of Mechanical Engineering and Automation	Mechanical Engineering	Mechatronic Engineering	
		Mechanical Design and Theory ※	
		Measuring and Testing Technologies and Instruments	
	Instrument Science and Technology	Precision Instrument and Machinery	Intelligent Instrument and Wireless Sensor Network
			Engineering Thermophysics ※
			Fluid Machinery and Engineering ※
	Power Engineering and Engineering Thermophysics	Engineering Thermophysics	Chemical Process Equipment ※
			Control Theory and Control Engineering
	Control Science and Engineering	Control Theory and Control Engineering	Detection Technology and Automatic Equipment
			Pattern Recognition and Intelligent Systems
(Mechanical Engineering) Mechatronic Engineering			
Mechanical (professional degree)	(Mechanical Engineering) Mechatronic Engineering		
Energy and Power (professional degree)	Energy and Power (professional degree)	Power Engineering ※	
School of Sciences	Psychology	Engineering Psychology	
		Developmental and Educational Psychology	
		Mental health, Social Management Psychology	
	Chemistry	Cognitive neuroscience	
		Inorganic chemistry ※	
		Organic Chemistry ※	
Applied Economics	Applied Economics	Analytical Chemistry ※	
		Physical Chemistry ※	
		Polymer Chemistry and Physics ※	
		Regional Economics	
		Industrial Economics	
School of Economics and Management	Management Science and Engineering	Ecological Economics	
		International Trade ※	
		Finance	
		Information Management and Information System	
		Data Science and Business Analytics	
	Business Administration	Business Administration	Operation and Supply Chain Management
			Management Operation and Optimization Decision
			Sci-tech and Innovation Management
			Engineering and Project Management
			Technology Economy and Management
Business Administration	Business Administration	Entrepreneurship and Small and Medium-sized Enterprise Management	
		Financial Management	

College	Major	Track	
School of Economics and Management	Business Administration	Human Resource Management	
		Corporate Management ※	
	Master of Business Administration (professional degree)	Master of Business Administration (professional degree)	Strategy and Organizational Management
			Human Resource Management
			Marketing Management
			Financial Management
			Investment and Financing Management
			Information Management and Electronic Commerce
			Fashion and Creative Enterprise Management
			Financial Innovation and Management
School of Textile Science and Engineering	Textile Science and Engineering	Textile Engineering ※	
		Textile Material and Textile Design ※	
		Textile Chemistry and Dyeing & Finishing Technology ※	
School of Materials Science and Engineering	Materials Science and Engineering	Materials Physics and Chemistry ※	
		Materials Science ※	
		Polymer Materials and Processing Engineering ※	
School of Life Science and Medicine	Biology	Botany ※	
		Microbiology ※	
		Cell Biology ※	
		Biochemistry and Molecular Biology ※	
School of Art and Design	Art Theory	Biopharmaceuticals ※	
		Art Aesthetics	
		Art History Theory	
	Fine Arts	Fine Arts	Art Criticism and Education
			Illustration Art Research
			Comprehensive Art Research
	Science of Design	Science of Design	Art History and Art Management
			Art-craft & Smart Design
			Environmental Design & Smart Human Habitat
			Industrial Design & Intelligent Manufacturing
Mechanical Engineering (professional degree)	Mechanical Engineering (professional degree)	Visual Communication & Smart Digital Media	
		Creative Design & Better Life ※	
Fine Arts (professional degree)	Fine Arts (professional degree)	Industrial Design & Engineering (professional degree)	
		Commercial Illustration	
		Comprehensive Art	
Art Design (professional degree)	Art Design (professional degree)	Public Art and Color Studies	
		Art-craft & Smart Design	
		Environmental Design & Smart Human Habitat	
		Industrial Design & Intelligent Manufacturing	
Visual Communication & Smart Digital Media	Visual Communication & Smart Digital Media	Visual Communication & Smart Digital Media	

3) Doctoral Degree Programs

Standard Duration: 3.5 years

College	Major	Track
School of Mechanical Engineering and Automation	Mechanical Engineering	Mechatronic Engineering ※
		Fluid Machinery ※
School of Textile Science and Engineering	Textile Science and Engineering	Textile Engineering ※
		Textile Material and Textile Design ※
		Textile Chemistry and Dyeing & Finishing Technology ※
		Fashion Design and Engineering ※
School of Materials Science and Engineering	Materials Science and Engineering	Materials Physics and Chemistry ※
		Materials Science ※
		Polymer Materials and Processing Engineering ※

4) Non-degree Programs

(1) Chinese Language Program (Long-term):

One semester or longer.

(2) General/Senior Scholars (Long-term):

One semester or longer. Students may select some subjects in bachelor, master and doctoral levels, and take the courses together with ZSTU Chinese students; or do the workshop under the guidance of ZSTU professors.

(3) Customized Program (Short-term):

Courses and duration of study can be arranged to meet specific demands of the group, with language courses or specialized courses on bachelor, master and doctoral levels, in combination with lectures, field trips, etc.

Language Requirements

1. Students of Chinese Language Program:

no language requirement

2. Students of Degree Programs (Chinese medium):

New HSK 4 with the score of 180 or above

3. Students of General/Senior Scholars (Chinese medium):

no communication difficulty in Chinese medium

4. Students of Degree Programs (English medium) (at least meets one of the following equivalents):

- a) Mother tongue is English
- b) Official language is English
- c) Graduate from high schools or universities in English-medium;
- d) TOEFL: 61 (IBT), 500 (PBT) or above
- e) IELTS: 5.5 or above

5. Students of General/Senior Scholars (English medium):

no communication difficulty in English medium

The above are the basic language requirements, while some majors' language requirements will be higher, please refer to the detailed admission instructions; There is HSK requirement for graduation, please refer to the detailed teaching plan.

Tuition and Fees

1) Application & Registration Fee: 300 RMB

2) Tuition:

a/ Chinese Language Program:

- Long-term: 7,000 RMB/semester; 14,000 RMB/academic year
- Short-term: 610 RMB/week

b/ Bachelor's Degree Candidate & General Scholar:

- 15,000 RMB/academic year (Liberal Arts)
- 18,000 RMB/academic year (Sci., Eng.)
- 22,000 RMB/academic year (Art)

c/ Master's Degree Candidate & Senior Scholar:

25,000 RMB/academic year

d/ Doctor's Degree Candidate & Senior Scholar:

30,000 RMB/academic year

3) On-campus Accommodation: (Accommodation is required to be paid per semester or per year.)

Each room is equipped with bathroom, furniture, A/C, fridge, ADSL, etc. The dormitory building is also equipped with public kitchen and public laundry

a/ Room Fee: 450 RMB/month·person (excluding electricity bills)

b/ Room Type: Twin-bedded room

4) Fees for Insurance:

a/ Long-term, Self-supporting Students:

800 RMB/person·year, covered by the university.

b/ Short-term, Non self-supporting Students:

Charged according to the actual cost.

(Insurance coverage: Death Insurance, Accidental Disability Insurance, Medical Insurance for Accidental Injuries, Hospitalization Insurance for Accidental Injuries. The Insurance coverage is subject to final explanation of the Insurance Company)

5) Other Fees (e.g. Fees for study materials, residence permit application):

Charged according to the actual cost.

Application Documents

To apply for a program at ZSTU, you may prepare the following application documents in advance.

1. **ZSTU International Students Application Form** (Applicants have to log on the Online Application System: <http://admission.zstu.edu.cn/en/> to fill out the information online)

2. **A photocopy of your passport information page with personal signature**

3. A photocopy of your valid visa or residence permit if you are already in China

4. **Copy of your highest diploma and transcripts** (Documents in languages other than Chinese or English must be attached with translations in Chinese or English)

5. **Foreigner Physical Examination Report** (the report is valid for 6 months, the form can be downloaded at <http://admission.zstu.edu.cn/en/Downloads.aspx>)

6. **Applicants under the age of 18 should submit the legal documents of their legal guardian in China.** The documents should be notarized by the Chinese Embassy in the applicant's country

7. **Study certificate with class attendance record and transcripts given by your host university if you are studying at another university in China**

8. **Copy of Chinese Proficiency Test (HSK) or English Proficiency Certificates** (if applicable)

9. **Five Photos** (blue background, 33mmx48mm in size, can be submitted upon registration)

The above documents are the basic requirements. Some majors need additional materials, please refer to the detailed admission instructions.

How to Apply

Applicants have to log on the Online Application System: <http://apply.zstu.edu.cn/> to fill out the information online

Scholarship & Awards

ZSTU has established a complete scholarship system including Chinese Government Scholarship, Zhejiang Provincial Government Scholarship and ZSTU scholarships.

Candidates who will apply for the scholarship to study at ZSTU (freshmen) may find the details at <http://admission.zstu.edu.cn/en/>
