

Hangzhou, the capital of Zhejiang province, enjoys the reputation of “Paradise on Earth” for its enchanting landscape and rich resources, and boasts convenient transportation with only 1 hour drive to Shanghai.

Hangzhou is an international metropolis, titled as the world's largest mobile payment city and China's best city for the Internet financial development index. It has held G20 Summit successfully in 2016.

Zhejiang Sci-Tech University (ZSTU) boasts a long history of over 120 years. It is a provincial key university of distinct characteristics and highlighted advantages:

- Chinese Government Scholarship and International Chinese Language Teachers Scholarship Host Institutions.
- The university has 21 schools (teaching and research departments) and one independent college, with more than 39,000 full-time students, including more than 10,000 graduate students.
- It offers 56 undergraduate programs, 6 first-level discipline doctoral degree programs, 2 professional doctoral degree programs, 24 first-level discipline master's degree programs, and 20 professional master's degree programs.
- The university's chemistry, materials science, and engineering programs rank in the top 2% globally according to ESI, while botany, zoology, and agricultural sciences are among the top 1% globally.
- It is known as "China's famous fashion school".
- It has established partnerships with 173 educational and research institutions in 47 countries and regions.
- The beautiful garden-like campus of over 140 hectares brings facility on study and living, with well-equipped laboratories, library, hospital, activity center, gymnasium, cafeterias, dormitory, etc.

## Programs

- ✧ :The program is taught in English.
- ★ :The program can be taught in Chinese and English.

### 1) Bachelor's Degree Programs

Standard Duration: 4 years (5 years for Architecture)

College	Major	CSCA Subjects
School of Sciences	Applied Physics	Mathematics, STEM Chinese, Physics
	Applied Psychology	Mathematics, STEM Chinese
School of Fashion Design & Engineering	Fashion Design and Engineering	Mathematics, STEM Chinese
	Fashion Design	Mathematics, Humanities Chinese
	Art & Technology	Mathematics, STEM Chinese
School of Computer Science and Technology	Computer Science and Technology	Mathematics
	Computer Science and Technology	Mathematics, STEM Chinese
	Software Engineering	Mathematics, STEM Chinese
	Intelligent Science and Technology	Mathematics, STEM Chinese
School of Information Science and Engineering	Automation	Mathematics, STEM Chinese, Physics
	Communication Engineering	Mathematics, STEM Chinese, Physics
School of Mechanical Engineering	Mechanical Design & Manufacturing and Automation	Mathematics
	Mechanical Design & Manufacturing and Automation	Mathematics, STEM Chinese
	Mechatronic Engineering	Mathematics, STEM Chinese
School of Civil Engineering and Architecture	Architecture	Mathematics, STEM Chinese
	Civil Engineering	Mathematics, STEM Chinese
	Building Environment And Energy Engineering	Mathematics, STEM Chinese
	Construction and Project Management	Mathematics, STEM Chinese
School of Life Sciences and Medicine	Biotechnology	Mathematics
	Biotechnology	Mathematics, STEM Chinese
	Biopharmaceuticals	Mathematics, STEM Chinese
School of Art and Design	Visual Communication Design	Mathematics, Humanities Chinese
	Environmental Design	Mathematics, Humanities Chinese
	Product Design	Mathematics, Humanities Chinese
	Digital Media Art	Mathematics, Humanities Chinese

College	Major	CSCA Subjects
School of Art and Design	Fine Arts (Commercial Illustration)	Mathematics, Humanities Chinese
	Industrial Design	Mathematics, Humanities Chinese
School of Economics and Management	Economics	Mathematics, Humanities Chinese
	International Economics and Trade	Mathematics
	International Economics and Trade	Mathematics, Humanities Chinese
	Accounting	Mathematics, Humanities Chinese
	Human Resource Management	Mathematics, Humanities Chinese
School of Foreign Language Studies	Information Management	Mathematics, Humanities Chinese
	Big Data Management and Application	Mathematics, Humanities Chinese
	English	Mathematics, Humanities Chinese
Fashion Design College of Istituto Marangoni Zhejiang Sci-Tech University	Fashion Design and Engineering (Sino-American Program)	Mathematics
	Fashion and Accessory Design (Sino-American Program)	Mathematics, Humanities Chinese
	Visual Communication Design (Sino-American Program)	Mathematics, Humanities Chinese
School of Law and Humanities	Chinese Language and Literature	Mathematics, Humanities Chinese
	Communication	Mathematics, Humanities Chinese

### 2) Master's Degree Programs

Standard Duration: 3 years

College	Major	Track
School of Civil Engineering and Architecture	Civil Engineering	Geotechnical Engineering
		Structural Engineering
		Heating, Gas Supply, Ventilation & Air Conditioning Engineering
		Civil Engineering Construction and Management
		Urban Planning and Design
	Architecture	Architectural Technology and Ecological Science
		Geotechnical Engineering
		Structural Engineering
	Civil Engineering (Professional Degree)	Structural, Pavement and Bridge Engineering
		Civil Engineering Construction and Management
Building Energy System		
Artificial Environment Engineering (Professional Degree)		Green & Low Carbon Building

College	Major	Track
School of Civil Engineering and Architecture	Artificial Environment Engineering (Professional Degree)	Green & Low Carbon Building
	Landscape Architecture (Professional Degree)	Landscape Planning and Design
		Landscape Engineering and Technology
		Application of Landscape Plant and Ecology
		Conservation of Landscape Resource and Heritage
School of Fashion Design & Engineering	Textile Science and Engineering	Fashion Engineering
	Fine Arts	Fashion Design Theory & Practice
School of Computer Science and Technology		Computer Science and Technology
	Computer Applied Technology	
	Computer Software and Theory	
School of Law and Humanities	International Chinese Language Education (Professional Degree)	Intelligent Computing and Intelligent System
		Teaching and Acquisition of Chinese as a Second Language
	Journalism & Communication (Professional Degree)	International Communication of Chinese Culture
		New Media & Public Opinions Research
School of Foreign Language Studies	Journalism & Communication (Professional Degree)	Journalistic Practice & Feature Reporting
		Foreign Languages and Literature
		Foreign Literature
School of Information Science and Engineering	Foreign Languages and Literature	Translation Studies
		Communication and Information System
	Information and Communication Engineering	Signal and Information Processing
		Interconnection and Intelligent Perception
		Control Theory and Control Engineering
School of Mechanical Engineering	Control Science and Engineering	Detection Technology and Automatic Equipment
		Pattern Recognition and Intelligent Systems
	Mechanical Engineering	Mechatronic Engineering
		Power Engineering and Engineering Thermophysics
School of Mechanical Engineering	Mechanical Engineering	Engineering Thermophysics
		Fluid Machinery and Engineering
		Chemical Process Equipment
School of Economics and Management	Applied Economics	(Mechanical Engineering) Mechatronic Engineering
		Power Engineering
School of Economics and Management	Applied Economics	Energy and Power (Professional Degree)
		Regional Economics

College	Major	Track	
School of Economics and Management	Applied Economics	Industrial Economics	
		Ecological Economics	
		International Trade	
		Finance	
		Quantitative Economics	
	Management Science and Engineering	Management Science and Engineering	Information Management and Information System
			Data Intelligence and Decision Making
			System Optimization, Operation and Management
			Technological and Innovative Management
			Financial Management
Business Administration	Business Administration	Strategic Management	
		Innovation and Entrepreneurship Management	
		Human Resource Management	
		Textile Engineering	
School of Textile Science and Engineering	Textile Science and Engineering	Textile Material	
		Textile Design	
		Textile Chemistry and Dyeing & Finishing Technology	
		Polymer Materials	
School of Materials Science and Engineering	Materials Science and Engineering	Functional Material	
		Botany	
		Microbiology	
School of Life Sciences and Medicine	Biology	Cell Biology	
		Biochemistry and Molecular Biology	
		Biopharmaceuticals	
		Industrial Design & Engineering (Professional Degree)	
		School of Art and Design	Design (Professional Degree)
Industrial Design and Smart Manufacturing			
Visual Communication and Fashion Digital Media			
School of Chemistry and Chemical Engineering	Chemistry	Commercial Illustration	
		Inorganic Chemistry	
		Organic Chemistry	
		Analytical Chemistry	
		Physical Chemistry	
		Polymer Chemistry and Physics	

### 3) Doctoral Degree Programs

Standard Duration: 4 years

College	Major	Track
School of Mechanical Engineering	Mechanical Engineering	Mechanical Design and Theory
		Mechatronic Engineering
		Fluid Machinery
School of Textile Science and Engineering	Textile Science and Engineering	Textile Engineering
		Textile Material and Textile Design
		Textile Chemistry and Dyeing & Finishing Technology
		Fashion Design and Engineering
School of Materials Science and Engineering	Materials Science and Engineering	Materials Physics and Chemistry
		Materials Science
		Polymer Materials Processing Engineering
School of Life Sciences and Medicine	Biology	Botany
		Microbiology
		Cell Biology
		Biochemistry and Molecular Biology
		Biopharmaceuticals

### 4) Non-degree Programs

(1) Chinese Language Program (Long-term):

One semester or longer.

(2) General/Senior Scholars (Long-term):

One semester or longer. Students may select some subjects in bachelor, master and doctoral levels, and take the courses together with ZSTU Chinese students; or do the workshop under the guidance of ZSTU professors.

(3) Customized Program (Short-term):

Courses and duration of study can be arranged to meet specific demands of the group, with language courses or specialized courses on bachelor, master and doctoral levels, in combination with lectures, field trips, etc.

# I AM HERE 我在这里

# I AM AT ZSTU 我在浙理

**Add:** International Students Office, Zhejiang Sci-Tech University  
928 Second Avenue, Xiasha Higher Education Zone, Hangzhou,  
Zhejiang, P. R. China, 310018  
**Tel:** 0086-571-86843679  
**E-mail:** admission2@zstu.edu.cn, admission@zstu.edu.cn  
**Website:** http://admission.zstu.edu.cn/en/  
**WeChat number:** ZSTU-ISO

## Language Requirements

- 1. Students of Chinese Language Program:** no language requirement
- 2. Students of Degree Programs (Chinese medium):** New HSK 4 with the score of 180 or above
- 3. Students of General/Senior Scholars (Chinese medium):** no communication difficulty in Chinese medium
- 4. Students of Degree Programs (English medium)** (at least meets one of the following equivalents):

- Mother tongue is English
- Official language is English
- Graduate from high schools or universities in English-medium;
- TOEFL: 80 or above; TOEFL ESSENTIALS: B2 or above;
- IELTS: 5.5 or above
- Other proof of English proficiency.

- 5. Students of General/Senior Scholars (English medium):** no communication difficulty in English medium

The above are the basic language requirements, while some majors' language requirements will be higher, please refer to the detailed admission instructions

### Chinese Proficiency Requirements upon graduation:

Students Type	Chinese medium	English medium
Undergraduate	HSK5	HSK4
Graduate	HSK5	HSK3

## Tuition and Fees

- 1) Application & Registration Fee:** 300 RMB
- 2) Tuition:**
  - a/ Chinese Language Program:**
    - Long-term: 7,000 RMB/semester; 14,000 RMB/academic year
    - Short-term: 610 RMB/week
  - b/ Bachelor's Degree Candidate & General Scholar:**
    - 15,000 RMB/academic year (Liberal Arts)
    - 18,000 RMB/academic year (Sci., Eng.)
    - 22,000 RMB/academic year (Art)
  - c/ Master's Degree Candidate & Senior Scholar:** 25,000 RMB/academic year
  - d/ Doctor's Degree Candidate & Senior Scholar:** 30,000 RMB/academic year

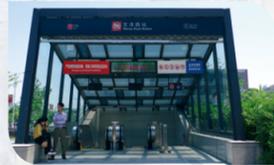

- 3) On-campus Accommodation: (Accommodation is required to be paid per semester or per year.)**

Each room is equipped with bathroom, furniture, A/C, fridge, ADSL, etc. The dormitory building is also equipped with public kitchen and public laundry.

- a/ Room Fee:** 450 RMB/month · person (excluding electricity bills)
  - b/ Room Type:** Twin-bedded room
- 4. Insurance Fee:** Purchase the corresponding type(s) of insurance as required.

- 5) Other Fees** (e.g. Fees for study materials, residence permit application): Charged according to the actual cost.

## Application Documents

To apply for a program at ZSTU, you may prepare the following application documents in advance.

- Application Form for International Students of Zhejiang Sci-Tech University (Complete and submit online at: <http://admission.zstu.edu.cn/>)
- A signed copy of your passport
- A copy of your valid visa or residence permit in China (if currently residing in China)
- Notarized copies of your highest diploma and academic transcripts
- Foreigner Physical Examination Report (valid for 6 months)
- Graduate students required two letters of recommendation by professors or associate professors, and ZSTU's Supervisor Acceptance Letter
- Applicants who are already studying at other universities in China need to provide a study certificate, attendance rate, and transcript issued by the international student office of their university
- Copy of HSK certificate or English proficiency certificate (if applicable)
- Score report of the China Scholastic Competency Assessment (CSCA) Test (Required for all undergraduate applicants).

The above documents are the basic requirements. Some majors need additional materials, please refer to the detailed admission instructions.

## About the CSCA Test

### Test Subjects:

#### (I) Professional Chinese:

Divided into two categories: Humanities Chinese and STEM Chinese. Applicants for Chinese-taught undergraduate programs must take the corresponding test based on their intended major.

The test is not required for applicants to English-taught programs. Students who apply Major of Chinese Language and Literature may be exempt from the test if they provide a valid HSK4 certificate.

#### (II) Basic Subjects:

Mathematics (Mandatory): Required for all majors.  
Physics: Required for applicants to Applied Physics, Automation, Communication Engineering, and Big Data Management and Application.

#### (III) Test Language:

Test papers are available in both Chinese and English. Applicants can choose the language version according to the medium of instruction of their intended program.

For more details, please refer to the official website ([www.cscsa.cn](http://www.cscsa.cn)).

## Admission Procedure

Undergraduate applicants must take the China Scholastic Competency Assessment, and submit the result in the application system before 2026.5.31.

For detailed information and registration methods regarding the CSCA, please visit the official website ([www.cscsa.cn](http://www.cscsa.cn))

### I. Online Application

- Create an account on ZSTU-Online Service Platform for International Students (<http://zstu.at0086.cn/student/>);
- Complete the ZSTU Application Form for International Students online during the application period;

### II. Comprehensive Evaluation and Examination

- Preliminary Evaluation: ZSTU will evaluate the completeness and correctness of the materials submitted by the applicants;
- Examination by Academic School: Applicants who pass the preliminary review will be forward to relevant academic schools for professional evaluation, in which interview may be conducted for certain programs.

### III. Admission Confirmation

- Final admission decisions are based on a comprehensive evaluation of the student's academic ability (e.g., CSCA scores, GPA), language proficiency, and overall qualifications.
- ZSTU will send a pre-admission notice via email;
- ZSTU will issue the Admission Notice and JW202/DQ Form to the applicants.

## Scholarship & Awards

ZSTU provide various Scholarships including: Chinese Government Scholarship, International Chinese Language Teachers Scholarship, Zhejiang Provincial Government Scholarship and ZSTU Scholarships.

Candidates who will apply for the scholarship to study at ZSTU (freshmen) may find the details at <http://admission.zstu.edu.cn/en/>

## CSCA Examination Subsidy

Undergraduate freshmen admitted and registered at ZSTU can be reimbursed for one exam fee upon presentation of the payment receipt from a test taken prior to enrollment. This subsidy is a one-time benefit per student and does not cover fees for repeated examinations.
