

Hangzhou, the capital of Zhejiang province, enjoys the reputation of "Paradise on Earth" for its enchanting landscape and rich resources, and boasts convenient transportation with only 1 hour drive to Shanghai.

Hangzhou is an international metropolis, titled as the world's largest mobile payment city and China's best city for the Internet financial development index. It has held G20 Summit successfully in 2016.

Zhejiang Sci-Tech University (ZSTU) boasts a long history of over 120 years. It is a provincial key university of distinct characteristics and highlighted advantages:

- ZSTU is one of the host institutes under Chinese Government Scholarship Programs to recruit outstanding international students.
- The university boasts 18 schools (teaching and research department) and one independent college, and a population of over 34,000 full-time students, among whom there are over 6,400 graduate students.
- It boasts 58 undergraduate programs, 6 first-level disciplines authorized for doctoral degree and 25 first-level disciplines authorized for master degree.
- Chemistry is among the top 5%, and Materials science, Engineering are among the top 1% disciplines according to the ESI (Essential Science Indicators) global ranking.
- It is well-known as the famous textile and fashion institution of China.
- It has established cooperation with over 155 universities and scientific research institutions from over 46 countries and areas.
- The beautiful garden-like campus of over 140 hectares brings facility on study and living, with well-equipped laboratories, library, hospital, activity center, gymnasium, cafeterias, dormitory, etc.

Programs

※ : The programs can be instructed in English.

1) Bachelor's Degree Programs

Standard Duration: 4 years (5 years for Architecture)

College	Major
School of Sciences	Applied Physics
	Applied Psychology
	Applied Chemistry
Fashion School	Fashion Design and Engineering
	Fashion Design
School of Informatics	Electronic and Information Engineering
	Communication engineering
	Computer Science and Technology※
	Digital Media Technology
	Intelligent Science and Technology
School of Mechanical Engineering and Automation	Electrical Engineering and Automation
	Automation
	Mechanical Design & Manufacturing and Automation※
	Mechatronic Engineering
School of Civil Engineering and Architecture	Architecture
	Landscape Architecture
	Civil Engineering
	Building Environment And Energy Engineering
School of Life Science and Medicine	Construction and Project Management
	Biotechnology※
	Biopharmaceuticals
School of Art and Design	Marine Resources Development and Technology
	Fine Arts(Commercial Illustration)
School of Informatics	Fine Arts(Commercial Illustration)
	Digital Media Art

College	Major
School of Economics and Management	Economics
	Finance
	International Economics and Trade※
	Business Administration※
	Accounting
	Human Resource Management
School of Foreign Languages	Information Management
	English
School of International Education	Fashion Design and Engineering (Sino-American Program)
	Fashion and Accessory Design (Sino-American Program)
	Visual Communication Design (Sino-American Program)
Shi Liangcai School of Journalism and Communication	Chinese Literature
	Communication

2) Master's Degree Programs

Standard Duration: 3 years
2 years for professional degree: Journalism & Communication, MBA

College	Major	Track
School of Civil Engineering and Architecture	Civil Engineering	Geotechnical Engineering
		Structural Engineering
		Heating, Gas Supply, Ventilation & Air Conditioning Engineering
		Civil Engineering Construction and Management
		Civil Engineering Construction and Management
	Civil and Hydraulic Engineering (professional degree)	Geotechnical Engineering
		Structural Engineering
		Structural, Pavement and Bridge Engineering
		Civil Engineering Construction and Management
		Civil Engineering Construction and Management
Landscape Architecture (professional degree)	Garden Plant Application and Ecological Restoration	
	Garden and Landscape Design	
	Landscape Architecture History and Heritage Protection	
	Architectural Design	
Fashion School	Textile Science and Engineering	Fashion Engineering※
		Fashion Design Theory & Practice※
	Fine Arts	Textile Artistic Design Theory & Practice※
Computer Applied Technology※		
School of Informatics	Computer Science and Technology	Computer Software and Theory※
		Intelligent Computing and Intelligent System※
		Intelligent Computing and Intelligent System※

College	Major	Track
Shi Liangcai School of Journalism and Communication	Journalism & Communication (professional degree)	New Media & Public Opinions Research
		Journalistic Practice & Feature Reporting
School of Foreign Languages	Foreign Languages and Literatures	Fashion Communication & Culture Creativity
		Linguistics and Applied Linguistics in Foreign Languages
		English Language and Literature
		Translation Studies
School of Mechanical Engineering and Automation	Mechanical Engineering	Japanese Language and Literature
		Mechatronic Engineering
		Mechanical Design and Theory※
School of Mechanical Engineering and Automation	Instrument Science and Technology	Measuring and Testing Technologies and Instruments
		Precision Instrument and Machinery
		Intelligent Instrument and Wireless Sensor Network
School of Mechanical Engineering and Automation	Power Engineering and Engineering Thermophysics	Engineering Thermophysics※
		Fluid Machinery and Engineering※
		Chemical Process Equipment※
		Control Theory and Control Engineering
School of Sciences	Chemistry	Detection Technology and Automatic Equipment
		Pattern Recognition and Intelligent Systems
		Mechanical (professional degree) (Mechanical Engineering) Mechatronic Engineering
		Energy and Power (professional degree) Power Engineering※
School of Life Science and Medicine	Psychology	Cognitive neuroscience
		Inorganic chemistry※
		Organic Chemistry※
		Analytical Chemistry※
		Physical Chemistry※
	Applied Economics	Polymer Chemistry and Physics※
		Regional Economics
		Industrial Economics
		Ecological Economics
		International Trade※
School of Economics and Management	Management Science and Engineering	Finance
		Information Management and Information System
		Data Science and Business Analytics
	Business Administration	Operation and Supply Chain Management
		Management Operation and Optimization Decision
		Sci-tech and Innovation Management
School of Economics and Management	Business Administration	Engineering and Project Management
		Technology Economy and Management
		Entrepreneurship and Small and Medium-sized Enterprise Management
		Financial Management

College	Major	Track
School of Economics and Management	Business Administration	Human Resource Management
		Corporate Management※
		Strategy and Organizational Management
		Human Resource Management
		Marketing Management
	Master of Business Administration (professional degree)	Financial Management
		Investment and Financing Management
		Information Management and Electronic Commerce
		Fashion and Creative Enterprise Management
		Financial Innovation and Management
School of Textile Science and Engineering	Textile Science and Engineering	Textile Engineering※
		Textile Materials※
		Textile Design※
		Textile Chemistry and Dyeing & Finishing Technology※
		Materials Physics and Chemistry※
School of Materials Science and Engineering	Materials Science and Engineering	Materials Science※
		Materials Processing Engineering※
		Botany※
		Microbiology※
School of Life Science and Medicine	Biology	Cell Biology※
		Biochemistry and Molecular Biology※
		Biopharmaceuticals※
School of Art and Design	Art Theory	Art Aesthetics
		Art History Theory
		Art Criticism and Education
	Fine Arts	Illustration Art Research
		Comprehensive Art Research
	Science of Design	Art History and Art Management
		Art-craft & Smart Design
		Environmental Design & Smart Human Habitat
		Industrial Design & Intelligent Manufacturing
		Visual Communication & Smart Digital Media
Mechanical Engineering (professional degree)	Mechanical Engineering (professional degree)	Art History and Art Management
		Art-craft & Smart Design
		Environmental Design & Smart Human Habitat
		Industrial Design & Intelligent Manufacturing
Fine Arts (professional degree)	Fine Arts (professional degree)	Visual Communication & Smart Digital Media
		Commercial Illustration
Art Design (professional degree)	Art Design (professional degree)	Comprehensive Art
		Public Art and Color Studies
		Art-craft & Smart Design
		Environmental Design & Smart Human Habitat
Mechanical Engineering (professional degree)	Mechanical Engineering (professional degree)	Industrial Design & Intelligent Manufacturing
		Visual Communication & Smart Digital Media

3) Doctoral Degree Programs

Standard Duration: 3.5 years

College	Major	Track
School of Mechanical Engineering and Automation	Mechanical Engineering	Mechatronic Engineering※
		Fluid Machinery
School of Textile Science and Engineering	Textile Science and Engineering	Textile Engineering※
		Textile Material and Textile Design※
		Textile Chemistry and Dyeing & Finishing Technology※
		Fashion Design and Engineering※
School of Materials Science and Engineering	Materials Science and Engineering	Materials Physics and Chemistry※
		Materials Science※
Fashion School	Textiles Science and Engineering	Materials Processing Engineering※
		Fashion Design and Engineering※

4) Non-degree Programs

(1) Chinese Language Program (Long-term):

One semester or longer.

(2) General/Senior Scholars (Long-term):

One semester or longer. Students may select some subjects in bachelor, master and doctoral levels, and take the courses together with ZSTU Chinese students; or do the workshop under the guidance of ZSTU professors.

(3) Customized Program (Short-term):

Courses and duration of study can be arranged to meet specific demands of the group, with language courses or specialized courses on bachelor, master and doctoral levels, in combination with lectures, field trips, etc.

Language Requirements

- 1. Students of Chinese Language Program:** no language requirement
- 2. Students of Degree Programs (Chinese medium):** New HSK 4 with the score of 180 or above
- 3. Students of General/Senior Scholars (Chinese medium):** no communication difficulty in Chinese medium
- 4. Students of Degree Programs (English medium)** (at least meets one of the following equivalents):

- a) Mother tongue is English
 - b) Official language is English
 - c) Graduate from high schools or universities in English-medium; TOEFL: 61 (IBT), 500 (PBT) or above
 - e) IELTS: 5.5 or above
- 5. Students of General/Senior Scholars (English medium):** no communication difficulty in English medium

The above are the basic language requirements, while some majors' language requirements will be higher, please refer to the detailed admission instructions; There is HSK requirement for graduation, please refer to the detailed teaching plan.

Tuition and Fees

- 1) Application & Registration Fee:** 300 RMB
- 2) Tuition:**

- a/ Chinese Language Program:**
 - Long-term: 7,000 RMB/semester; 14,000 RMB/academic year
 - Short-term: 610 RMB/week
- b/ Bachelor's Degree Candidate & General Scholar:**
 - 15,000 RMB/academic year (Liberal Arts)
 - 18,000 RMB/academic year (Sci., Eng.)
 - 22,000 RMB/academic year (Art)
- c/ Master's Degree Candidate & Senior Scholar:** 25,000 RMB/academic year
- d/ Doctor's Degree Candidate & Senior Scholar:** 30,000 RMB/academic year

- 3) On-campus Accommodation:** **[Accommodation is required to be paid per semester or per year.]**

Each room is equipped with bathroom, furniture, A/C, fridge, ADSL, etc. The dormitory building is also equipped with public kitchen and public laundry.

- a/ Room Fee:** 450 RMB/month-person (excluding electricity bills)
- b/ Room Type:** Twin-bedded room

- 4) Fees for Insurance:**
 - a/ Long-term, Self-supporting Students:** 800 RMB/person-year, covered by the university.
 - b/ Short-term, Non self-supporting Students:** Charged according to the actual cost.

(Insurance coverage: Death Insurance, Accidental Disability Insurance, Medical Insurance for Accidental Injuries, Hospitalization Insurance for Accidental Injuries. The Insurance coverage is subject to final explanation of the Insurance Company)

- 5) Other Fees** (e.g. Fees for study materials, residence permit application): Charged according to the actual cost.

Application Documents

To apply for a program at ZSTU, you may prepare the following application documents in advance.

- 1. ZSTU International Students Application Form** (Applicants have to log on the Online Application System: <http://admission.zstu.edu.cn/en/> to fill out the information on line)
- 2. A photocopy of your passport information page with personal signature**
- 3. A photocopy of your valid visa or residence permit** if you are already in China
- 4. Copy of your highest diploma and transcripts** (Documents in languages other than Chinese or English must be attached with translations in Chinese or English)
- 5. Foreigner Physical Examination Report** (the report is valid for 6 months, the form can be downloaded at <http://admission.zstu.edu.cn/en/Downloads.aspx>)
- 6. Applicants under the age of 18 should submit the legal documents of their legal guardian in China.** The documents should be notarized by the Chinese Embassy in the applicant's country
- 7. Study certificate with class attendance record and transcripts given by your host university if you are studying at another university in China**
- 8. Copy of Chinese Proficiency Test (HSK) or English Proficiency Certificates** (if applicable)
- 9. Five Photos** (blue background, 33mm×48mm in size, can be submitted upon registration)

The above documents are the basic requirements. Some majors need additional materials, please refer to the detailed admission instructions.

录取程序

I. Online Application

1. Create an account on Online Application System (<http://apply.zstu.edu.cn/>);
2. Complete the ZSTU Application Form for international Students online during the application period;
3. Upload the required application materials such as passport copy, degree certificate, etc..

II. Comprehensive Evaluation and Examination

1. Preliminary Evaluation: ZSTU will evaluate the completeness and correctness of the materials submitted by the applicants;
2. Examination by Academic School: Applicants who pass the preliminary review will be forward to relevant academic schools for professional evaluation, in which interview may be conduct for certain programs.

III. Admission Confirmation

1. Admission results are determined based on a comprehensive evaluation and examination of application's academic performance, language proficiency, other supporting materials and interview performance;
2. ZSTU will send a pre-admission notice via email;
3. ZSTU will issues the Admission Notice and JW202 Form to the applicants.

Scholarship & Awards

ZSTU has established a complete scholarship system including Chinese Government Scholarship, Zhejiang Provincial Government Scholarship and ZSTU scholarships.

Candidates who will apply for the scholarship to study at ZSTU (freshmen) may find the details at <http://admission.zstu.edu.cn/en/>
